Collecting Children

There are an increasing number of children who are being collected early from school. This not only disrupts the class, as a call has to be made to the classroom and a member of staff has to bring the child to reception and they miss some of their classroom activities. It is really busy in the office, particularly at the end of the day. So we would appreciate it if parents could arrange appointments where possible, ideally after school so that children can finish the school day at 3.30pm and only in exceptional circumstances collect their child early.

Thank you for your support.

Looking for work?

We have employment advisors that will come into school and help you with making a C.V, interview techniques or even applying for jobs For more information please come in and speak with Naseem Khan (Parent Support Worker). .

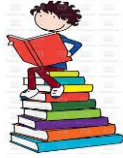

Uniform

Please make sure all clothing is labelled with your child's name as we have many items in lost property with no names in. Please can parents make sure that children who are wearing shirts in year 5 and 6 also wear ties. There are also many children who are starting to wear trainers. We understand that there are short periods of time when school shoes are too small or broken and parents are in the process of buying new shoes but we have noticed that even though some children do have school shoes they are not wearing them. Please could you ensure that your child has sturdy , comfortable black shoes, not trainers (even though they may be black).

Reading Books

Can everyone please check at home to see if they have any school reading books, each child should just have one at a time.

Thank you

Year 5

Our topic this term is WW2, the children are already really excited to learn more about this. We will be organising a visit to the Holocaust Centre later in the term.

Reception

This term we are learning all about the Gruffalo. During the week we made playdough Gruffalos.

Year 6

Class 6 had the very valuable experience of visiting the Crimes and Consequences workshop at the Galleries of Justice this week. They have clearly taken on board the message of the importance of not carrying knives and making the right choices.

Year 1

As part of our snow and ice topic this term, we are planning an expedition to the Antarctic to find out what people and animals may need to survive the cold weather.

Year 2

As part of our Great Fire of London topic, class 2 went on a dragon hunt earlier this week.

Year 3 & 4

Class 3 & 4 will be going swimming every Thursday afternoon. Can you please ensure they have an appropriate swimming kit with a towel. All hair must be tied back and no jewellery worn.

P.E and Swimming kit

Can you please ensure your child has the correct kit on these days.
